**Pastoral Council Objective Statement:** To develop an environment where all are welcome, have reason and desire to join our Holy Family Parish in an active way. This will lead to an increase in the number of active members and increase the number of new member. We will strive to gain more members to use their time, treasure and talents in Stewardship. Our community will recognize the members of Holy Family Parish are alive and active in their faith.

Pastoral Council Prayer: Lord we pray that through the Holy Spirit we are blessed to do your will and by doing so, we develop an active Holy Family Parish and provide an environment that will give reason and desire for any and all to join by contributing their time, treasure and talent. Amen.
